### ATTENTION!

Please use the adjacent map. If you only use the navigation system, you will not find us at the address given above.

You can also find a parking space [here](#).

## DIRECTIONS

## DIRECTIONS

### PUBLIC TRANSPORT

You can reach the Fraunhofer IEG either by subway U35 or by bus line 346.

#### U35 - Campus line

You can reach the institute from Bochum main station (Bochum HBF) by taking the U35 campus line in the direction of Hustadt. Travel to Lennerhof. After reaching the top of the hill, keep left. Follow the street »Im Westenfeld« until you reach »Lennerhoferstraße«. From there you will reach the street »Am Hochschulcampus« via the university grounds. Turn left at the gate and then follow the map (page 1).

#### Line 346

Get off at the »Fachhochschule« stop. The gate is diagonally opposite the stop. Then follow the map (page 1).

### Highway

#### Coming from the A40

From Essen keep right and follow the highway 448. From Dortmund take exit 32 Dreieck Bochum West. Follow the A448, take the Ruhr-Universität exit and follow Universitätsstraße to the right. Take the exit Universität-Ost/Botanischer Garten/Fachhochschule. Then straight ahead onto Schattbachstraße and continue according to the plan (page 1).

#### Coming from A43

Take the exit Bochum Querenburg/Ruhr-Universität and drive along Universitätsstraße in the direction of Universität/Zentrum. Take the exit Universität-Ost/Botanischer Garten/Fachhochschule. Then straight ahead onto Schattbachstraße and continue according to the plan (page 1).

### Cars and vans <7,5t

1

Use the orange route. Please drive up to the barrier and use the call system there to identify yourself as a visitor to the Fraunhofer IEG. You can then drive up to the Fraunhofer IEG and use the available visitor parking spaces.
